Report of Principal and School Improvement Council

Greeting to the parents, students, and community of Lady's Island Intermediate & Middle School!

This was another very exciting school year. It was also a year of transitions. With a third year middle school principal still making many changes in personnel, curriculum, and other programs, the future is very bright for Lady's Island Intermediate & Middle School. Big steps were taken to increase the schools STEM (Science Technology Engineering and Mathematics programs), Emphasis was placed on revitalizing the Media Center with new up-to-date books with the PTO support, studying the student test scores (MAP & PASS), and making numerous cosmetic improvements to the school building.

The school also had other great things taking place: Mrs. Kathy Ingram was named the Dance Teacher of the Year for the State, the creation of the Intermediate School to handle 5th graders was put in place, communication efforts were increased to keep the parents and community informed, a student chess club was started, and community involvement was stressed with fundraisers for CAPA, the American Heart Association, and the American Cancer Society.

During the 2009-2010 school year, the teachers and staff continued to work relentlessly on providing the students of our school with the best core curriculum available. With our drive to be the best, implementation of the state curriculum has given the students, the teachers, and the school many opportunities for recognition. With our focus on our curriculum map and our various assessments, the teachers are using the best instructional practices available. Our efforts have come to fruition – the school received its best report card EVER in 2009! We still have a ways to go, but we are on the correct path.

Lady's Island Intermediate & Middle School is a small but growing school with an abounding history and bright future. The horizon before us is gleaming for several reasons: a powerful and effective instructional staff, involved parents, innovative programs, community connections and partnerships, and loving, caring students.

However, we have several hurdles that must be addressed: low student attendance, high student tardiness, low test scores, an aging building, two schedules, and budget restraints. We are putting into place steps to address these issues in a timely manner.

We encourage members of the community to join our winning team at Lady's Island Intermediate & Middle School. Without the additional support of the community our small school will not be able to rise to the top. Therefore we challenge everyone – parents, business partners, the arts community, retirees, and even former students – to come into the school and make our school the best it can be for our students!
